### Day 01 – Fly to Victoria Falls

Ilala Lodge is located very close to the Victoria Falls recognized as one of the Seven Natural Wonders of the World. Centrally located, the Iala Lodge is within easy walking distance of the falls and town.

### Day 02 – Elephant Back Safari, Bungi Jump & Flight of Angels

This morning early you are collected for the elephant back safari.

The half day elephant back safari entails a transfer to The Elephant Camp (about 16kms out of town) where a brief introductory talk on elephants and safety is given. Guests are then 'introduced' to the elephants and their 'keepers'. You then embark on the elephant back safari through the African bush for about 1.5 - 2 hours. Upon returning

to the camp breakfast is served and you are then transferred back to Vic Falls.

This afternoon you will be taken to the bridge that spans the mighty Zambezi River (take your passport), where you take the plunge on one of the world's most spectacular **bungi jumps**! Just as your heart rate is returning to normal after the bungi jump you will be transferred to the helicopter pad for a 13 minute flight over the Victoria Falls – naturally promising the best views you can get.

From your adventure in the air, the day tones down with a sunset boat cruise on the Zambezi River with drinks & snacks included. After an action packed day you will be transferred back to the Ilala Lodge for overnight.
