Night Safari Discovery Tour

Itinerary:

6:45 PM: Gather at Holiday Inn Singapore Orchard City Center Hotel Lobby and transfer to Singapore Night Safari, located on the north of Singapore island, besides the Singapore Zoo.

Night Safari, the world's first wildlife park for nocturnal animals is a nine-time winner of the Best Visitor Attraction Experience, awarded by Singapore Tourism Board. This internationally acclaimed leisure attraction embodies innovation and creativity in products and services, and service quality, thus attracting more than 1.1 million visitors yearly. Over 1,000 animals from 115 species (of which almost 30% are threatened) inhabit the 40-hectare park.

7:30 pm: Upon arrival, leading by the tour guide, enter to the adventure land. The park can be explored either on foot via three walking trails or on tram. First, hop on board the tram, a 45 minute tram ride with commentary across a landscape that dramatically changes.

After that, we would enjoy a 20-minute animal presentation; it will introduce you to nocturnal animals, from the elusive owl to nimble binturongs to intuitive civets. Watch, learn, be entertained and even be part of the act. The show also features a more

interactive format where visitors will be drawn into the action. We don't want to spoil the surprises so be sure to include this in your list of Night Safari things to do!

10:30 pm: Back to Holiday Inn Singapore Orchard City Center Hotel.

Note: Commentary on tram only in English.
